

## Registration for the 2021-2022 School Year

Students enrolled in high school make important decisions about their future. It is important that you know and understand the requirements for graduation to help make the best course selections for your post secondary plans. Students will need to complete the following steps prior to their individual meeting with the counselor:

1. Review the Registration Guide and Video found in the [High School Registration Guide](#) linked here or found at [www.pitt.k12.nc.us](http://www.pitt.k12.nc.us), Parents and Students, High School Registration.
2. Complete your course registration online using the Powerschool Registration function at: <https://pitt.powerschool.com/public/home/html> (Students must select 8 courses plus 3 alternate courses)
3. Counselors will meet with ALL students individually beginning February to verify accuracy of course selections.

Content Area	FUTURE READY CORE Course of Study Requirements	OCCUPATIONAL Course of Study Requirements																																								
English	4 Credits English I, II, III, IV	4 Credits Occupational English I, II, III, IV																																								
Mathematics	4 Credits* Math I, Math II, Math III, and a 4th Math Course to be aligned with the student’s post high school plans   ** <a href="#">See Future Ready Core of Study Mathematics Graduation Requirements Chart</a> **	3 Credits Occupational Mathematics I, II, III																																								
Science	3 Credits Biology, an Earth/Environmental Science course, a Physical Science course	2 Credits Life Skills Science I, II
